Case No. 19-RC-242915

Dear Mr. Conrad:

This will acknowledge receipt of the Employer's letter dated April 17, 2020 in the subject case. The Board is treating this letter as a motion to stay the Board's action in this representation matter until the Office of the Inspector General considers and acts on the Employer's IG complaint. Although there is no set time to file an opposition to a motion to stay, the other parties to this matter may file a response any time prior to Board action on the motion,

Very truly yours,

/s/ Farah Z. Qureshi
